

# CNMG160612-GA

## Product Images

## Summary

- CNMG160618-GA
- CNMG160612-GA
- CNMG160616-GA

## Content

### Features and benefits:

- High-quality coating, continuous processing impact resistance, high hardness, smooth chip removal

- GA chip-breaker, suitable for semi-finishing steel, Specific distribution from design to guaranteed surface finish
